National Cancer Registries	YES	YES	YES	YES
National Cancer Audit	NO	YES	YES	YES

ICCP & National sources | ICBP | NATCAN

PREVENTION

11.5%
Childhood obesity rate

10.1%*

OECD (2021)

Girls & boys
HPV vaccine eligibility

EPF (2023)

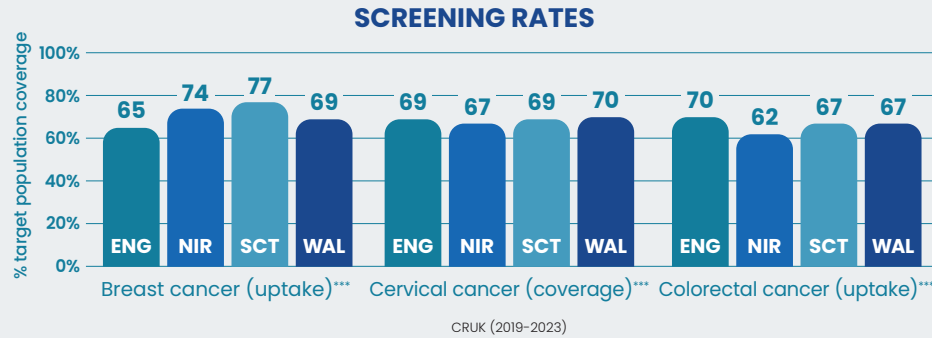

84%
HPV immunisation coverage (15-year-old girls)

EU Goal: 90%

UKHSA (2023)

SCREENING

ORGANISED SCREENING PROGRAMMES

Lung cancer

England: ONGOING rollout

Scotland and Wales: ONGOING pilots

DIAGNOSIS AND TREATMENT

MEDIUM Multi-biomarker test access	7.03 Radiation therapy equipment Per 1 M inhabitants
Normanno et al. (2022)	IAEA (2024)
7.38*	7.38*

WORKFORCE

868 Nurses	3.46 Pathologists
Per 100,000 inhabitants	
879*	3.76*
OECD (2021)	EUROSTAT (2016)

SURVIVORSHIP AND QUALITY OF LIFE

1.30 Palliative care services Per 100,000 inhabitants	NO No measures Right to be forgotten
EAPC (2019)	Ending discrimination against cancer survivors (2024)

*Overall/Average value for countries of the WHO Europe region with available data (i.e. not EU-only) – ** Global Burden of Disease Collaborative Network (2019) – *** A national source is being used for this indicator. Latest data that is comparable to other European countries is available on the European Cancer Pulse. – CRUK: Cancer Research UK – EAPC: European Association for Palliative Care – EPF: European Parliamentary Forum for Sexual and Reproductive Rights – Globocan: Global Cancer Observatory – IAEA: International Atomic Energy Agency – ICBP: International Cancer Benchmarking Partnership – ICCP: International Cancer Control Partnership – NATCAN: National Cancer Audit Collaborating Centre – Normanno et al.: Access and quality of biomarker testing for precision oncology in Europe (European Journal of Cancer) – OECD: Organisation for Economic Co-operation and Development – UKHSA: UK Health Security Agency. Special thanks to Prof. Ajay Aggarwal, Dr Nicolò Battisti, Prof. Mark Lawler, Dr. Katrina Brown, Laura Williams and Alexander Wright for their contribution to the development of this report.
